

ST. THOMAS SCHOOL, RANCHI
DARPAN CLUB- A REPORT : SESSION 2013 -14

"The main rule of Writing is that, if you do it with enough Assurance and Confidence, you're allowed to do whatever you like. That may be a rule for Life as well as for Writing. But it's definitely true for Writing."

--- Neil Gaiman

Writing is that Art which lets us express our Experiences and Imaginations and Feelings in form of Words. If understood as a painting... then the Paper is the canvas... the Ink is the color and the Drawings are in form of Words....

In order to provide such an amazing opportunity to our students, **DARPAN Club** had organized a Creative Writing Competition like it does every year so that the students freely create their own master-piece in form of poems, prose, essays and stories.

This time **DARPAN Club's** artistic '**Word-meet**' had been scheduled on 15th January, 2014. Participants were free to choose any language and as per their class they were given topics owing to the language they had opted. Each of the participants gave their best for a healthy competition.

Our Principal, Rev. Dr. Joseph J. Ayrookuzhy sorted out the talent par Excellence among all those who had participated and they were honoured with a medal and certificate; and instigated others to enhance their talent a at an advanced level.

The Prize-winners were as follows :
