22nd October 2021

To: All Heads of Schools presenting candidates for the ICSE & ISC Year 2021 - 2022 Examinations.

Dear Sir/Madam,

Subject: Revised Timetables for the ICSE & ISC Semester 1 Examinations Year 2021-2022 & changed mode for the conduct of these examinations

This is further to the CISCE circular dated 19th October 2021 wherein all Heads of Schools were informed about the postponement of the ICSE & ISC Semester 1 Online Examinations for 'reasons beyond our control.'

Please find attached the 'Revised Timetables' for the ICSE & ISC Year 2021-2022 Semester 1 Examinations.

The ISC Semester 1 Examination is scheduled to begin from 22nd November 2021 and end on 20th December 2021.

The ICSE Semester 1 Examination is scheduled to begin from 29th November 2021 and end on 16th December 2021.

The CISCE has been in receipt of numerous emails from Heads of Schools, parents and students, who had expressed their difficulties and apprehension if the Semester 1 Examinations were to be held Online. Some of the major concerns expressed were:

1. Non-availability of Devices.
2. Irregular Power Supply.
3. Network and Bandwidth problems.

The CISCE being a student friendly Board, after much deliberation has thus decided to conduct the ICSE & ISC Semester 1 Examinations **in the OFFLINE mode**. These examinations will be conducted in the candidates' respective **SCHOOLS**. All candidates will be required to report to their school, as per the scheduled examination dates.

Detailed guidelines for the conduct of the Semester I Examination will be shared with the Conveners and the Heads of Schools shortly.

You are requested to kindly disseminate the above-mentioned information to all concerned i.e., candidates, parents, guardians and teachers.

You are advised to check the CISCE official website and CAREERS Portal for authentic Circulars and information.

With warm regards,

Yours sincerely,

Gerry Arathoon
Chief Executive & Secretary
