ONLINE CREATIVE WRITING COMPETITION RESULT

Creative Writing is an encouragement and exposure given to the students to explore their thoughts, ideas and expressions. In this endeavor, the DARPAN CLUB of ST.THOMAS SCHOOL takes immense pleasure to publish the result of the Online Creative Writing Competition which was conducted in the month of May 2020. We received an overwhelming response. Each budding poet and writer got a platform to express themselves. It was a joy as well as a challenge for teachers to go through their articles and we feel proud to say that each write-up was praiseworthy.
